

Canadian company intelligent power distribution cabinet manufacturer

Overview

Hubbell Incorporated is a leading manufacturer of utility and electrical solutions enabling customers to operate critical infrastructure safely, reliably, and efficiently. Rittal presents its Wire Terminal WT C5 and C10 innovations that allow wire processing at speeds ten times faster than by hand. Beat the competition with our enclosure and case system, distinguished by its simplicity, ease of assembly and versatile functions. Likewise, the PDU in data centre management can help. We care about your today and tomorrow, delivering pioneering low- and medium-voltage innovations and services which make us a valuable partner for utility, industrial and commercial customers. Want to learn more about ABB's contributions to economic development and our locally manufactured. In addition to developing, designing, and manufacturing pre-fabricated E-Houses, we can integrate all the necessary electrical products to suit your specific needs and your market. 100+ years of Canadian operations.
