

Finnish Cold Aisle Cabinet Brand

Overview

Each Festivo product is manufactured by Suomen Kotikylmiö Oy, established in 1994. With our factory situated in Hollola, we provide work for approximately 50 people. Nexpan cabinets and aisle containments are best-in-class in terms of airtightness and therefore ensure maximum performance and energy efficiency in your data center. By reducing energy consumption, data centers not only save money but also reduce their environmental impact. Pre-assembled frame with slide-locks for easy installation, airtight gaskets, ergonomic handles, and panel options in clear or multiwall. Finarte Finarte is a Finnish brand that. Minkels is a knowledge-driven producer and worldwide supplier of high-quality cabinet, aisle containment and cooling solutions for data center infrastructure. We have picked a sophisticated selection of modern Scandinavian cabinets from wardrobes to showcases and office. To increase the "Energy Efficiency" and manage the "Physical Security & Access Control" in data center environments, KabinPLUS offers Data Center Aisle and Containment Solutions.
