

Kuwait 72-core fiber optic cable junction box

Overview

The SJ-ODB-72-SMC Junction Box Fiber Optic delivers robust IP65-rated protection for 72-core fiber connections in versatile FTTX applications, featuring durable SMC construction for reliable indoor/outdoor telecommunications infrastructure deployment. Fiber Network Company for electronic equipments is one of the leading fiber optic infrastructure group in Kuwait and a major provider of state-of-art technologies for the telecom & network systems. With over two decades of experience in serving and executing projects in the field of networking. Fiber Management Tray also called ODF Distribution Box, Integrated Splicing and Distribution ODF. It is mainly used for cable inlet, grounding and fixing and the splicing between the terminal end and pigtail. Termination and Testing of all low voltage connectors including CAT 5, CAT 6, CAT 6A AND CAT 7. Installation and programming of key telephone system, digital telephone system, IP telephone system and intercoms. We offer wide range of solutions which are. From supply to seamless installations, we empower your network infrastructure, ensuring high-speed, reliable connections to support your operations and growth At Al Fanr Est, we take pride in delivering cutting-edge fiber supply and installation services tailored to meet the high-speed connectivity.
