

Price of Reinstalling a Home Electrical Distribution Box

Overview

Electrical box replacement costs vary widely, typically between \$400 and \$4,400, depending on panel type, amperage, labor, and upgrades. Hiring a licensed electrician ensures safety, code compliance, and proper permits, reducing risks of fires, shocks, and insurance. Buyers typically pay for a full panel replacement, including labor, materials, and permits. Key cost drivers include panel amperage, indoor vs outdoor location, wiring length, and whether a full panel upgrade or rerouting is needed. The price range reflects whether the job involves simple surface replacement or adds panel work, wiring upgrades, or. An electrical box, also known as a service panel or breaker box, acts as the central distribution point for your home's electrical system. The replacement process. In May 2026 the estimated national average cost to Remodel an Electrical Box starts at \$1,305 - \$1,581 per box. To estimate costs for your project: 1.
