

Spanish Gigabit Fiber Optic Switch Company

Overview

MasOrange has joined forces with Vodafone Spain and Singapore's sovereign wealth fund GIC to establish FibreCo, a new joint venture poised to become Spain's largest fibre-to-the-home (FTTH) network operator. The newly created FibreCo will benefit from economies of scale and operational efficiencies, stimulating. Fibercom is a company with over 30 years of experience specializing in fiber optic telecommunications infrastructure. They offer expert advice and solutions for fiber optic projects, highlighting their extensive knowledge of the sector. – MasOrange, Vodafone Spain and GIC introduce today PremiumFiber, the brand under which Spain's leading fibre optic. Spain's fixed broadband market took another significant step toward consolidation this week, with MasOrange and Vodafone Spain – now owned by UK-based investment firm Zegona – announcing the creation of the country's largest fibre network company in partnership with Singapore's sovereign wealth. Spanish telcos MasOrange and Vodafone Spain have drafted Singapore based investment firm GIC in their goal to deliver "premium" fibre connectivity in Spain. The deal, first agreed in 2024 and binding signatures inked in January 2025, will see the creation of a new firm called FibreCo in Spain.
