

Sudan Huijue Optical Cable Distribution Box

Overview

Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical. Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical. The 12-core metal fiber distribution box/box HJ-GF-KJW-12A adopts a welding and separation structure and has welding and wiring functions. Note: Specifications are subject to change without prior notice for product improvement. Covering. As a leading manufacturer and supplier of fiber optic components, we consistently provide high-quality fiber optic components, fiber optic active connectors, optical splitters, fiber optic adapters, fiber optic cables and other products. In fact, the fiber optic industry is developing so fast that. OverviewFiber-optic cable distribution box (FODB) GF-KJW-24B is a 24-core plastic fiber distribution box, has the functions of fusion and optical distribution. Environmental conditions Company Introduction:Established in 2001, Shanghai Huijue Network Communication Equipment. Fiber Optic Distribution box is used as a termination point for feeder cable to connect with drop cable in FTTX communication network. for the protective connection of optical.
