

West African factory producing low-voltage cable trays

Overview

Since 1935, African Cables, now CBI-electric: african cables, has designed and manufactured a comprehensive range of electric power cables at its Vereeniging factory. The continent's cable tray manufacturers are known for their adaptability to challenging environments and commitment to quality. The growth of its manufacturing facility has consistently met local demand for product, while technological advancement has remained. Tulisa Cables is a privately owned SABS, ISO and BBBEE compliant manufacturer of low voltage electrical power cables. The business was founded in 1999 and in those 27 years since inception, has grown from a small manufacturer of General purpose PVC wires into a fully fledged manufacturer of a much. Coleman Wires and Cables is Sub-Saharan Africa's largest cable manufacturer, renowned for quality, reliability, and innovation and the only Nigerian cable company with Investment Grade "A" ratings from GCR and Augusto & Co.
