

Where to buy ESCON remote monitoring connectors

Overview

Mouser offers inventory, pricing, & datasheets for Molex ESCON Fiber Optic Connectors. The Enterprise System Connection Architecture, ESCON, was developed by IBM as a channel connection architecture with the intent of improving connectivity by incorporating fibre optics into a network. Traditional epoxy & polish connectors, as well as quick termination connectors such as Corning Unicam, 3M Hot Melt, FITEL Splice-On, etc. SC, LC, ST, FC, SMA, MTRJ, MTP, VF45, and more. You can order ESCON® host adapters for your storage unit configuration. All our ESCON multimode duplex fiber optic cables are made here in the US and guaranteed to perform. Call us on 1-888 608-5180 for assistance. Ewon industrial remote connectivity solutions allow machine builders and users to securely connect to their industrial equipment and visualize IIoT data. Intesis products make buildings talk.
